2019-2020

PROFESSIONAL EXPERIENCE

Zidio Development - Web Development Intern

02/2024 - 03/2024

- Designed and developed responsive user interfaces using HTML, CSS, and JavaScript, improving user engagement and website functionality.
- Collaborated with the development team to implement and manage website data, ensuring accuracy and efficiency in data handling and presentation.

Internpe - Web Development Intern

02/2024 - 03/2024

- Successfully completed four projects focused on real-world problem-solving, utilizing HTML, CSS, and JavaScript to develop functional and user-friendly web applications.
- Gained hands-on experience in tackling real-world challenges, enhancing skills in frontend development and improving the ability to deliver practical web solutions.

PROJECTS

Personal Portfolio Website

Developed a personal portfolio website to showcase my skills, projects, and experience. Utilized HTML, CSS, and JavaScript to create a responsive design that works seamlessly on various devices. Implemented interactive features such as a contact form and project gallery.

Responsive E-Commerce Website

Created a mock e-commerce website featuring a product catalog, shopping cart, and checkout process. Employed HTML, CSS for styling, and JavaScript for interactive elements such as dynamic product filtering and form validation.

Weather Forecast App

Built a weather forecast web application using HTML, CSS, and JavaScript. Integrated a third-party weather API to fetch and display real-time weather data based on user input. Focused on creating a user-friendly interface and ensuring accurate data presentation.

TECHNICAL SKILLS

Markup Languages: HTML5

Styling Languages: CSS3 (including Flexbox and Grid layouts)

Scripting Languages: JavaScript

Responsive Design: Bootstrap

JavaScript Libraries: React

UI Principles: Figma

Tools: VS Code , Google Colab , Canva
